Mission Trip to Mexico III

St. James and St. Augustine's, Metairie, scheduled mission trips to San Cristobal de las Casas, Mexico in June. This was St. James' third trip to assist Mother Mary Ann Garrett's ministry.

The primary goal was continued construction of a church building started last year. By coordinating both parishes mission trips for consecutive weeks, much more could be accomplished than a single week's effort by each parish.

The St. James group included Fr. Mark Holland, Fr. Robert Odom, Deacon Mark Hudson, Lynnette and Tommy Frazer, Linda Ohmstede, Beverly Walker, Walker Higgins, and Betsy and Hank Harper. Fr. Mark and Hank arrived three days early to purchase and arrange supplies.

Betsy Harper reports, "To the merriment of all we accomplished our goal of framing in the roof and setting a telephone pole for electricity."

Fr. AJ Heine reported the eight member team from St. Augustine, "like every church in every generation, stood on the shoulders of those who have gone before."

Parking Lot Contract Let

You might have noticed that there has been a significant increase in the after hours activities in the downtown area. St. James heartily welcomes the redevelopment of downtown Baton Rouge.

One of the areas impacted by this renewal of social life downtown has been parking, especially on the weekend evenings. For the past year and a half we have tried to self-regulate our parking needs for both the church and the Day School. Many times we have had to hire security to keep our parking lots available for weddings and other church and school programs. We have also been fighting a never-ending battle with trash, broken beer bottles, and abandoned cars on Sunday mornings.

The vestry made the decision to sign a contract with Baton Rouge Parking to manage our "L-shaped" parking lot on the corner of Convention

We Care Delivery Help

If someone in our church family has a van or a truck, the *We Care* program can use your help! The food for the bags needs to be picked up once a week at Sam's Club and delivered to the Ministries building. Warren Green will fax them the order the day before pickup and meet you there to handle the payment. We will meet you at the church and someone will help you unload them into our large wagon there. If you can do this at anytime please call Warren or "Boots" Green at 272-0628.

Congratulations ...

Bill & Rene Worsley are proud to announce the birth of their granddaughter, **Mary Frances McWilliams**, on June 14, 2008, in Houston, Texas. Mary Frances was welcomed home by parents Patrick & Wendy Quick McWilliams and big sister Ella.

In addition to standing on their shoulders, we stood on ladders, rafters, and very narrow 2x4s in order to put the 'lamina' on the roof."

In addition to finishing the roof, St. Aug's team closed in the eaves, built a split rail fence to accentuate the property line, and installed a "Chiapas Cross" so passers would know the 18x20-foot building was a church.

A team member was heard to say, "We proclaim we are one church, united in mission. This is so true when we work together in a foreign land."

Day School Shines on Test Scores

By Linda Chanier, Head of School

St. James Day School recently received its ERB test scores. Since we began our new initiatives five years ago and certainly with the addition of our technology integration, our test scores have improved each year.

We have always done well at surpassing the National Norm score, and did so again with huge numbers of our children doing well above the national average. However, we have also surpassed the Independent School Norm which is based on scores from schools that can be very similar to St. James.

Every one of our fifth graders scored in the Above Average stanine range in Writing Mechanics with most of the students scoring at the highest level that can be achieved.

Parking

Continued from page one

and Fourth. Baton Rouge Parking is already managing the lot on Florida Street for us. There are some real benefits to this arrangement for the church. While it does provide a new source of income for the church, Baton Rouge Parking personnel also gives us an increased security presence and clean up after the local downtown establishments have closed in the early mornings.

We still have the first say and use over all of our parking lots for any church or Day School functions, such as weddings, Fall Carnival, and the Spring Crawfish Boil. On those nights we will provide our own security and there will be no charge to parishio-

ners for parking at those events. When the church or Day School is not using parking lots on Thursdays, Fridays, and Saturdays, Baton Rouge Parking will run our lots for us charging parking fees to those who park at St. James.

These results are a substantial affirmation that our practices are effective. We ensure that this happens by analyzing our test data and refining our strategies each year and by providing our faculty with the very best in professional development. Our teachers stay on the cutting edge of research-based practices that are appropriate for the 21st century student.

We understand that many of you have enjoyed the convenience of being able to park at St. James when dining out downtown or attending various events in the downtown area. You can still park at St. James, but do keep in mind that on Thursdays, Fridays, and Saturdays, our parking lots will be managed by Baton Rouge Parking and the fee to park will be \$5.

KIDS LEARN ABOUT SERVICE

God's **BIG Backyard** introduced kids to five themes of service: Our Families, Our Friends, Our Neighbors, Our Community, and concluding on Friday with Service to Jesus.

Fr. John Miller reports 103 children and 31 volunteer leaders participated in Vacation Church School, June 23-27, in Bishops Hall. The theme each for each day was based on biblical scripture in response to the great-est commandment: *Love God and Love Your Neighbor*.

Co-chair Yvette Owens reported "The children proclaimed it the best VCS ever!" Each day there were skits, games, snacks, and crafts related to the theme of the day learned during chapel time.

On Thursday they put community service in action by offering cold lemonade to passers-by in front of Bishops Hall on a hot morning.

Vacation Church School 2008

Fr. John smiles as he responds: "our own backyard was made even bigger as over half the children were from other churches or no church at all."
